

POWERPOINT PRESENTATION

DIRECTIONS: You will create an 18-slide presentation based on your favorite career. To complete this project, you will use the information you have obtained over the last few months and your favorite career at this point in life. You may use the Internet, Career Zone, Bridges web, or any other web sites that can enhance your presentation. (You must paraphrase!)

Your presentation must include the following slides:

Slide 1

Title Page - Favorite Career Name & Career Cluster Name, Your Name, Period & Date.

Slide 2+ (Your Name is the TITLE of this Slide)

Your Name and Your Interests, you may list your favorite school subjects, extracurricular activities, hobbies, sports, interests, skills, values, and motivations. *Add any pictures that describe you & your interests.*

Slide 3

Job Description and Interests

Describe in detail what work do you do and list what you should be interested in order to do this job. (Make sure you understand what you are saying, use the facts in your own words) along with the Interest Word (you circled).

Slide 4

A picture relating to your career and a *description* of your picture.

Slide 5

Tasks

List 5 tasks that you think are the most interesting. (Do not get too "wordy" you must understand what you are writing, so you can present it clearly)

Slide 6

Skills and Knowledge

List (3) skills and (3) knowledges that are needed for this job.

Slide 7

Education and Training Requirements

What level of education do you need? How many years of college? Is there any special certification needed? Are there any training programs you need to take part in? What subjects would be useful to take to prepare you for this career?

Slide 8

School Programs
